When you send a check as payment, you authorize ACA to convert the check into a one-time Electronic Funds Transfer (EFT.) This will automatically debit the check in the amount from your bank account---please note that this may occur as soon as the same day we receive your payment. Also, because of EFT you will not receive a paper copy of your canceled check from your bank. Any check returned will be charged a \$20.00 fee and orders will be canceled until payment is received. The American Canine Association is not responsible for overdraft fee charges.
